Sides for Fiyero and Boq

Fiyero *enters and all eyes are on him immediately. Even Elphaba looks up from her book. As Fiyero crosses the stage, Boq, holding a* ***book****, stumbles toward him and Fiyero catches him lightly, giving Boq a smile and setting him back on his feet.*

BOQ
(stammering)
S-sorry about that.

FIYERO
(nonchalantly)
Don't worry about it. I'm sure not.

BOQ
But I think I might have scuffed your boot, and they look expensive.

FIYERO
(chuckling, wiping his boot)
They are, and I do not care one bit.
(taking Boq's book, feigning interest, tossing it away)
I see that, like always, it'll be up to me to corrupt my fellow students…not that it'll be hard or anything.

Fiyero winks at the audience, claps Boq on the back, and begins to dance.

Cue **MUSIC DANCING THROUGH LIFE**

CHOREOGRAPHY.

Fiyero is the focus of this piece, everyone swoons and follows his movements except Elphaba, who continues to read her book.

Fiyero goes to students who are studying and knocks their books out of their hands. When the books leave their hands, the students become activated and begin dancing with Fiyero.

Fiyero dances over to Elphaba, reaches toward her book and she freezes him with a look. He winks at her and dances away.

Galinda makes her way through the other students and catches Fiyero's attention. For a moment, the dance revolves around the pair.

FIYERO and GALINDA
Now that we've met one another,
It's clear we deserve each other.

FIYERO
You're perfect.

GALINDA

You're perfect.

GALINDA and FIYERO
So we're perfect together!

Boq dances closer to Galinda and Fiyero. They both look at him and look at each other.

Galinda glances around and spies Nessarose. She excuses herself with a curtsey, then dances toward Boq and puts a hand on his arm, begins dancing with him. He's elated.

GALINDA

Hi Bick.

BOQ

Uh, it-it's *Boq*, actually.

GALINDA

Of course. See that tragically beautiful girl?

(pointing at Nessarose)
The one in the chair?
It seems so unfair
We should all have a spree
And not she, gee!

(looking wistfully off)

I know someone would be my hero

If that someone were

To go dance with her?

BOQ
(glancing at Nessarose)
I-I could go and dance with her…

GALINDA
Really, Bick? You would do that for me?

BOQ
(reaching out to hold both of Galinda's hands)
I would do anything for you.

Galinda shoos him toward Nessarose and Boq goes in that direction.
